

**WELCOME TO  
AK PERMATA  
SOLUTIONS**

WHERE DREAMS TRANSLATED INTO  
**REALITY**

# COMPANY BACKGROUND

The esteemed company was established on the 11<sup>th</sup> of June 2019 adhering to the Malaysia Business Registration Act 1956 under the ownership of AMALIA KAMILA BINTI CHE KAMARUL WZAMAN as a sole proprietorship.

Graduated from Universiti Tun Hussein Onn Malaysia (UTHM) under the program Bachelor's Degree in Real Estate Management with Honors in 2010, she started off her career at Sunrise Berhad (now UEM Sunrise) as a staff in Building Management Department. After 2 years of working, she shifted into audio design occupation/assignment with Les' Copaque Production Sdn. Bhd. for 2 years and have broad experience in audio engineering management.

Aside from having a full-time job, she was also active in volunteering works for several NGO in Tanah Merah, Kelantan. With these experiences, she had more exposure in managing events both for government and non-governmental projects.

After realizing the opportunity, she finally has the courage to venture into her own company to cater the customer's requirements in events and production.

# **BUSINESS OVERVIEW**

AK Permata Solutions was formed with an aim establish itself as an active participant involving events and production.

The company focuses mainly on managing events and production including handling NGO and we also focused on the maintenance that includes government agencies and private sectors as well.

We view our customer as partners and offer services to cater to their different needs efficiently and provide solutions whenever possible.

Our customers are satisfied with our excellent achievements in providing 'Hands on' services to them.

All our projects are fully supervised by our own professionally trained staff to ensure the quality of our work.

Recently we are embarking on film producing activities with the government and private television companies.
